Dear Artists and Patrons of the Arts,

Art of the Lakes (AOTL) Summer Workshops are right around the Corner. Warm weather is coming too! The Workshop Committee is excited to present this years 2018 Brochure with our favorite teaching artists and most exciting of all, our first En Plein Air Workshop taught by award winning artist Lisa Stafford. With the bucolic vistas in Otter Tail County, we believe this outdoor painting program will be the first of many more to come.

We hope you consider taking a workshop this summer. For members, we continue our program to allow one of your guests to use the member fee.

Please email the registration form to the contact person. If you are registering for more than one workshop you can copy this form.

More information about the Art of the Lakes can be found on the website. We look forward to seeing you in the gallery AND we look forward to seeing you at a workshop this summer.

Sincerely,

Jody Augustadt
